

In Prague, 24 April 2019

Dear **Patricia Sampedro Piquero**,

The Scientific Programme Committee of the forthcoming “**48th Annual General Meeting of the European Brain and Behaviour Society**” has considered your abstract and we are pleased to confirm its **acceptance**.

Your abstract details:

Abstract identification number: *EBBS19-0010*

Title: *The presence of a social stimulus reduces cocaine seeking in a place preference conditioning paradigm.*

The final presentation type of your abstract will be: Poster

All presenting authors must be registered until 30 April 2019 otherwise the Scientific Programme Committee will withdraw your presentation from the official programme. The registration is available via [this link](#).

The **48th Annual General Meeting of the European Brain and Behaviour Society** will take place in Prague, Czech Republic, on 21-24 September 2019. More information about the Conference is available at the [official website](#).

Please note that the authors’ guidelines and further information about the scientific programme (such as the presentation time and the room in which your presentation will take place) will be forwarded to you within the next weeks.

Should you need further assistance, please feel free to contact us at abstracts@ebbs2019.org.

With Kind Regards,

EBBS 2019 Secretariat
